

Material Safety Data Sheet

For Water Absorber

1 Identification of the company

Product name Water Absorber
Supplier Anglo Nordic
12/14 Island Farm Avenue
West Molesey
KT8 2UZ

Phone No (+44) 020 8979 0988

2 Composition / information on ingredient

Ingredient name CAS No Sodium polyacrylate polymer
Considered Non hazardous

3 Hazard Identification

Eye Contact: Dust may cause irritation
Ingestion: No hazard in normal use of product
Inhalation: Dust may cause nose and throat irritation
Skin Contact: N/A
Chronic: N/A

4 First Aid Measures

Eyes Promptly wash eyes with lots of water while lifting the eye lid.
Contact a Doctor if irritation Persists
Skin No recommendation given.

5 Fire Fighting Measures

Polymer forms a slippery gel when wet which may cause a hazard, take care when walking.

8	Exposure Controls/Personal Protection	
	Eye Protection	Safety glasses with side shields is good practice.
	Protective Gloves	Would be considered good practice when deploying and retrieving from hydrocarbon liquids,
	Respirator	Approved dust respirator recommended
	Other	Product form a slippery gel when wet, care should be taken when walking.
9	Physical and chemical properties	
	Colour	White polymer
	Odour	Starch like
	Odour/taste	N/A
	Melting/Freezing Point	Not determined
	pH	N/A
10	Stability and reactivity	
	Stability	Normally stable
	Conditions to avoid	Creating dust
11	Toxicological information	
	Health Warnings	See section 3
12	Ecological information	
	Degradability	No information available
13	Disposal consideration	
	Disposal methods	Special waste, in accordance with local regulations for type of liquid absorbed
14	Transport information	
	Label for conveyance	No transport warnings required
15	Regulatory information	
	Label for supply	not classified
	Risk phrases	not classified
16	Other information	
	None
