Hylomar M Blisters 40ml Non Setting & Non Hardening Jointing Compound

CODE	0820200
PRICE	XXXX

- A highly engineered, non setting and non hardening setting compound.
- Simple application for use on metal and plastic close fitting components.
- Frequently used in oil and water pumps due to being extremely resistant to fuels, oils, coolants and gases.

Hylomar Universal Blue Blisters 40g Non Setting & Non Flammable Gasket & Jointing Compound

CODE	0820210
PRICE	XXXX

- Hylomar Universal Blue is a high performance, non-setting gasket and jointing compound.
- Allows for metal on metal contact.
- The non-setting feature allows easy dismantling of components for service and repair work

LOW STRENGTH

HIGH STRENGTH

CODE	0820231
PRICE	XXXX

HYLOGRIP

50ml Range Of Viscosities

- Resistant to heat, vibrations, water, gases, oils, hydrocarbons and many other chemicals
- Extensive temperature range
- Available range of grades: low, medium and high

Hylotype Red 100 40ml Semi Hardening Water Resistant Jointing Compound

CODE	0820231
PRICE	XXXX

- Hylotype Red 100 is a synthetic, semi-hardening jointing compound that has excellent gap filling properties.
- Highly resistant to water and synthetic oils forming an instant seal.
- Versatile in sealing cooling systems such as water pumps and radiators

Magnetic Sludge Remover Filter MOD. GTS 3/4"

CODE	2507010
PRICE	XXXX

- Multi-attachment magnetic filter featuring a first-rate dirt separator.
- The GTS can be installed vertically and horizontally. Great for fitting under boilers, with a max height of 15cm.
- Recommend for use in condensing boilers up to 28kw.

Magnetic Sludge Remover Filter MOD. Hippo Black 22mm (22mm x 3/4" Adaptors)

CODE	2507024
PRICE	XXXX

- The filter is very compact in size meaning it is designed for quick installation in limited spaces.
- The filters patented design allows the flow of water to always be inside the filtering cartridge touching the magnetic bar as first treatment step.
- Recommended for use in condensing boilers up to 35kw.

Magnetic Sludge Remover Filter MOD. T3 Bypass 3/4".

CODE	2507011
PRICE	XXXX

- Unique patented sludge remover with a 3 function integrated valve and bypass setting incorporating a check valve to carry out maintenance without emptying the boiler.
- Durable filter made from stainless steel that effectively filter even copper and aluminium.
- T3 is recommended for use in condensing boilers up to 28kw.

Magnetic Sludge Remover Filter MOD. T4 Bypass 3/4".

CODE	2507012
PRICE	XXXX

- Unique patented sludge remover with a 3 function integrated valve and bypass setting incorporating a check valve to carry out maintenance without emptying the boiler.
- Durable filter made from stainless steel that effectively filter even copper and aluminium.
- T4 has a slightly bigger bowl than the T3, recommended for use in condensing boilers up to 35kw

2 litre tub of 80 ViraWipes-Surface Wipes NHS Approved Formula

CODE	3010890
PRICE	XXXX

- Virawipes offer nhs approved protection against the formation of bacteria and superbugs.
- Provides protection against the coronavirus and any other enveloped viruses.
- Fast acting formula that eliminates 99.9% of bacteria within 5 minutes.

2 litre tubs of 80 Muckyz Hand & Machinery Wipes Smooth & Scrub.

SCRUB

CODE	3010892
PRICE	XXXX

SMOOTH

CODE	3010891
PRICE	XXXX

- Highly effective hand and machinery wipes, that remove grime, oil, grease and muck effortlessly.
- The solvent free wipes have an easy to access pop-top which stops the wipes from drying out.
- Smooth recommended for gentle wiping tasks.
- Scrub recommended for harder wiping tasks .

Gelmani Hand Sanitizer, 72% Alcohol 100ml

CODE	3010921
PRICE	XXXX

- Alcohol-based hand gel
- Made with 72% alcohol to combat both bacteria and viruses.
- Formulated with natural essential oils, including lemon and castor oil, to keep hands from drying out

Oil Degreaser & Stain Remover 1L

CODE	3011012
PRICE	XXXX

- Highly Effective Degreaser in handy spray dispenser bottle.
- Ideal for the removal of oil stains.

Concrete and Hard surface cleaner 1L & 5L

1 LITRE

CODE	3011018
PRICE	XXXX

5 LITRE

CODE	3011019
PRICE	XXXX

- These products are designed to remove oil and fuel from hard surfaces such as concrete & blockwork.

EVO Oil Absorbent Dry Granules 20L bag

CODE	3011016
PRICE	XXXX

- Evo dri is made of 100% recycled materials is easy to use, transport and clean up.
- Has an instant and high absorption capacity.

DRIP TRAY W/ PADS

CODE	3011013
PRICE	XXXX

20 PACK REFILL

CODE	3011014
PRICE	XXXX

Oil Drip Tray Including 5 Pads & 20 Absorbent Refill Pads

- Includes a reusable tray, that used with the pads absorbs up to 4 litres.
- Drip tray dimensions: 41cm x 31cm x 4.5cm.

PRICE	XXXX

- 48mm x 33m Indoor Laminated Tape "Gas" 2 Colour (288 rolls).

Suntec AUV Universal Oil Service Pumps Kit & Case

CODE 9900078

PRICE xxxx

- Including both a left and right-hand universal pump, compatible for light oil, b10 and Kerosene use.
- Light and portable case, easy for service engineers to carry on the move and cover a variety of breakdown scenarios.
- Excellent adaptability to meet the requirements of any breakdown.

Oil Burner Technician's Commissioning Kit

CODE 3010700

PRICE xxxx

- The Commissioning kit includes all the tools need to service an oil burning boiler to OFTEC standards.
- Included is a universal nozzle spanner allowing the user to remove any kind of burner nozzle.
- The kit includes a high-pressure gauge, rated to 300 psi, with an easy to read, 63mm dial.

Oil Burner Technicians Service Kit

CODE 3010701

PRICE xxxx

- The Technicians kit includes all the tools need to service an oil burning boiler to OFTEC standards.
- There are new maintenance tools included which allow technicians to effortless clean an array of components.
- Light and portable case, easy for technicians to carry on the move and cover a variety of scenarios.

Anglo Nordic Capillary Fire Valve Tester

CODE 1407220

PRICE xxxx

- The fire valve tester is a safe and efficient way to test all types of fire valves and other temperature safety devices up to 120 °C.
- Quick and accurate providing, test results in 3 minutes.
- Straightforward test structure allowing the tester to be used on sites.
